

Emerson School
Earth Ambassadors

Become an Earth Ambassador!

**Do you care about the Earth?
Do you want to be involved in school projects focusing on conservation?**

Emerson School PTA is sponsoring the **Earth Ambassadors**, a club for students interested in conservation.

Students can choose from one of two meeting times:

* The first Tuesday of each month, from 3-4:30, in Mrs. Witt's classroom (Rm 116).
Our first meeting is Tuesday, September 6.

* Once-a-month meetings during lunch recess in Mrs. Witt's classroom.
The first lunch recess meeting date will be emailed to parents next week.

Here are just a few of the projects our Earth Ambassadors have participated in: building the Outdoor Classroom; creating outfits for the Trashion Fashion Show; making holiday gifts for seniors; cleaning up the Prairie Path; earning the Ecology Flag; auditing lunchroom waste; building birdhouses; writing President Obama ... and receiving a reply!

My child has permission to attend and be a participant in Emerson's **Earth Ambassadors**:
